

## Recommended Support Materials

### MRS Advanced Certificate in Market & Social Research Practice

#### Core Text

##### **The Practice of Market Research – From Data to Insight**

5th Edition, Pearson Education

Yvonne McGivern

November 21, Paperback

ISBN13: 978-1292331362

It should also be noted that the 4th edition is out of date in terms of coverage of topics including ethics and GDPR, definition/scope of research, the roles of researcher, use of digital research, passive data and analytics, data visualisation and the terminology around all those topics as well as examples of them in practice.

#### Other Texts

In addition to the recommended text, we advise candidates to read as widely as possible to become better informed about the research industry and its practices.

These various textbooks and resources are intended to give an indication of the great range of research information, which is available, both via the Internet and in published form. Dipping into this reading list will help candidates gain the depth of insight which will support the development of their research skills.
